

## NEW BEGINNINGS

Welcome to the new website of [Solent Concert Orchestra](#) and the first of our occasional blogs or posts. Websites may be seen as old-fashioned in a world full of Instagram and Snapchat but it is still the one place where you can find all you need to know about us, your local orchestra. These posts will be for readers and members alike so make it your first port of call when you reach the site. This is where you will read the latest news about the orchestra, discover more about our members and check in on the latest [useful information](#). As the orchestra continues to grow, so will the website so feel free to [email us](#) to tell us what you would like to read within its pages. Interested in our choice of music? The Selection Committee works hard to prepare a balanced programme for our concerts, let us know your favourites. Our new Chair, [Timothy Leighton](#), and the [SCO Committee](#) are pleased to have you on board.
