

## Music for 19<sup>th</sup> May 2019

There is only one piece of music to download from IMSLP for this concert. The rest of the Music will be distributed to players at the rehearsals, by Carol, June or Pam, so please see one of them if you need music.

The pieces we will be playing are: Grieg: Piano Concerto in A minor, Tchaikovsky: 1812 Overture, Saint-Saens: Bacchanale, Suppe: Light Cavalry March, Delibes: From Ballet Sylvia, Mussorgsky: Night on a Bare Mountain. Links to recordings can be found below at the bottom of the document.

### **The piece to download is Grieg's Piano Concerto:**

Once on this page, you will need to print your instrument's part for the concerto, which is to be found under 'sheet music', then click on 'parts' and they are under 'orchestra', starting with the flutes. Note that for trumpets and horns the parts are in various keys, but there is an option to print transposed parts for the trumpets, all in Bb, listed with the original parts, and the horn parts in F are at the bottom of the page. If you have any problems printing your part off, please either ask your section leader for help, or ask Pam or Sian.

*For those who have not downloaded from IMSLP before, there is a 15 second countdown after you click on the instrument part you wish to download. After this delay, click on 'click here to download', which is near the top of the page. You can then print off the music*
